

North Bayshore Precise Plan Community Workshop #1 Agenda

July 25, 10:00 am – 4:00 pm
Mountain View Senior Center
266 Escuela Avenue
Mountain View, CA 94040

Meeting Objectives

- Refine the existing vision to include residential development and supportive services.
- Identify desired outcomes for North Bayshore related to new neighborhood design and residential development.
- Provide input on visual preferences for development types, building types, and other community amenities.
- Develop alternatives for new mixed-use development, housing, services, civic uses, parks and open space, and other amenities.
- Identify key opportunities and challenges associated with area transformation.
